

Our Lady Star of the Sea Catholic School

Uniform Dress Code

Uniforms are an important part of the school setting. They allow the students to focus on their education and not be distracted by dress fads or accessories. They allow the teachers the opportunity to get on with the business at hand of teaching. It is not the responsibility of the school or school staff to see that children are in proper uniform each day; it is the responsibility of the parents. Our Lady Star of the Sea School needs your help, cooperation and support of the school dress code.

Length of Jumpers and Skirts may not be shorter than 1 inch above the knee.
Tops/Shirts may be long sleeve or short sleeve solid white (**No logos/brand designs other than Star of the Sea**). If a t-shirt is worn under the top/shirt, it must be solid white – no logos, designs or writing. All shoes must be solid black, dark brown or navy blue and have a heel. The heel is to be no higher than 1 1/2 inches. Sandals, ballet style, or clog-type shoes are not acceptable. Shoes should not be multi-colored or two-toned.

A student is out of uniform if he/she is not wearing the correct shoes, socks, shirt, sweater, or the shirt is still un-tucked after having been asked to keep it tucked in. Every day that the student is out of uniform, a teacher will document that on a separate record and/or give the student an Out of Uniform Pass (grade appropriate). After the second time the student is out of uniform, he/she will be unable to participate in the next dress down or spirit wear day. If a student is out of uniform four times, he/she will lose the privilege for the next two dress down or spirit wear days.
