

# Star Teachers' Favorite Scrip List

As the end of the year approaches, we all start to wonder. What is it that our child's teacher would like? Often times, many of us opt for the always welcomed gift card, but how do you know from which store to purchase? Well, the dilemma has been solved! Here is a list of the teachers' favorite gift cards that participate in the Star Scrip program. Not all of the teachers have responded yet, but the list will be updated as they do, so be sure to check back if your teacher is not listed or send me an email to let me know which teacher's list you need.
